

# ***Labeling and Hazard Communication Services for Consumer and I&I Products***

CSI is a full service regulatory consulting team that can provide the complete range of labeling, safety data sheet (SDS) preparation and hazard communication services for consumer products (including cosmetics) as well as Industrial & Institutional (I&I) products. CSI has extensive experience working with complex labeling issues with many types of products. In addition, CSI offers a wide range of other services for clients facing regulatory challenges in these and other areas.

### ***CSI specializes in:***

- Consumer product labeling requirements under the US Federal Hazardous Substance Act (FHSA) and the Canadian Consumer Chemicals and Containers Regulations (CCCR) and Hazardous Products Act
- European consumer and institutional product labeling and safety data sheet (SDS) preparation under the Classification, Labeling and Packaging (CLP) Regulation
- OSHA and GHS labeling and SDS preparation
- Canadian WHMIS (Workplace) labeling regulations
- Cosmetic (personal care product) labeling and overall compliance for North American and Europe
- Working with the US Consumer Product Safety Commission, Health Canada and European competent authorities on labeling, safety, compliance and other product related issues
- California Proposition 65 (Prop 65) compliance and labeling
- Multi-national and multi-channel labeling
- EPA FIFRA pesticide and antimicrobial product labeling

### ***CSI also provides:***

- Product safety assessments
- Toxicology evaluations
- Worker safety and workplace (OSHA) exposure assessments
- EPA FIFRA and EU pesticide and antimicrobial/biocide registration support
- European regulatory assistance
